Subject: Your restraints in New London & Eleni International.

NYC Marshal 14 Guida and Santo and Kirk. You must release the restraints on the chase accounts that New London and Eleni international have at Chase Bank that your team restrained. The account numbers are in our motion papers. At the risks of typos, here they are but double check that these are the correct numbers.

Chase account no. 557198759
Chase account no 752587001
Chase account no. 557189375

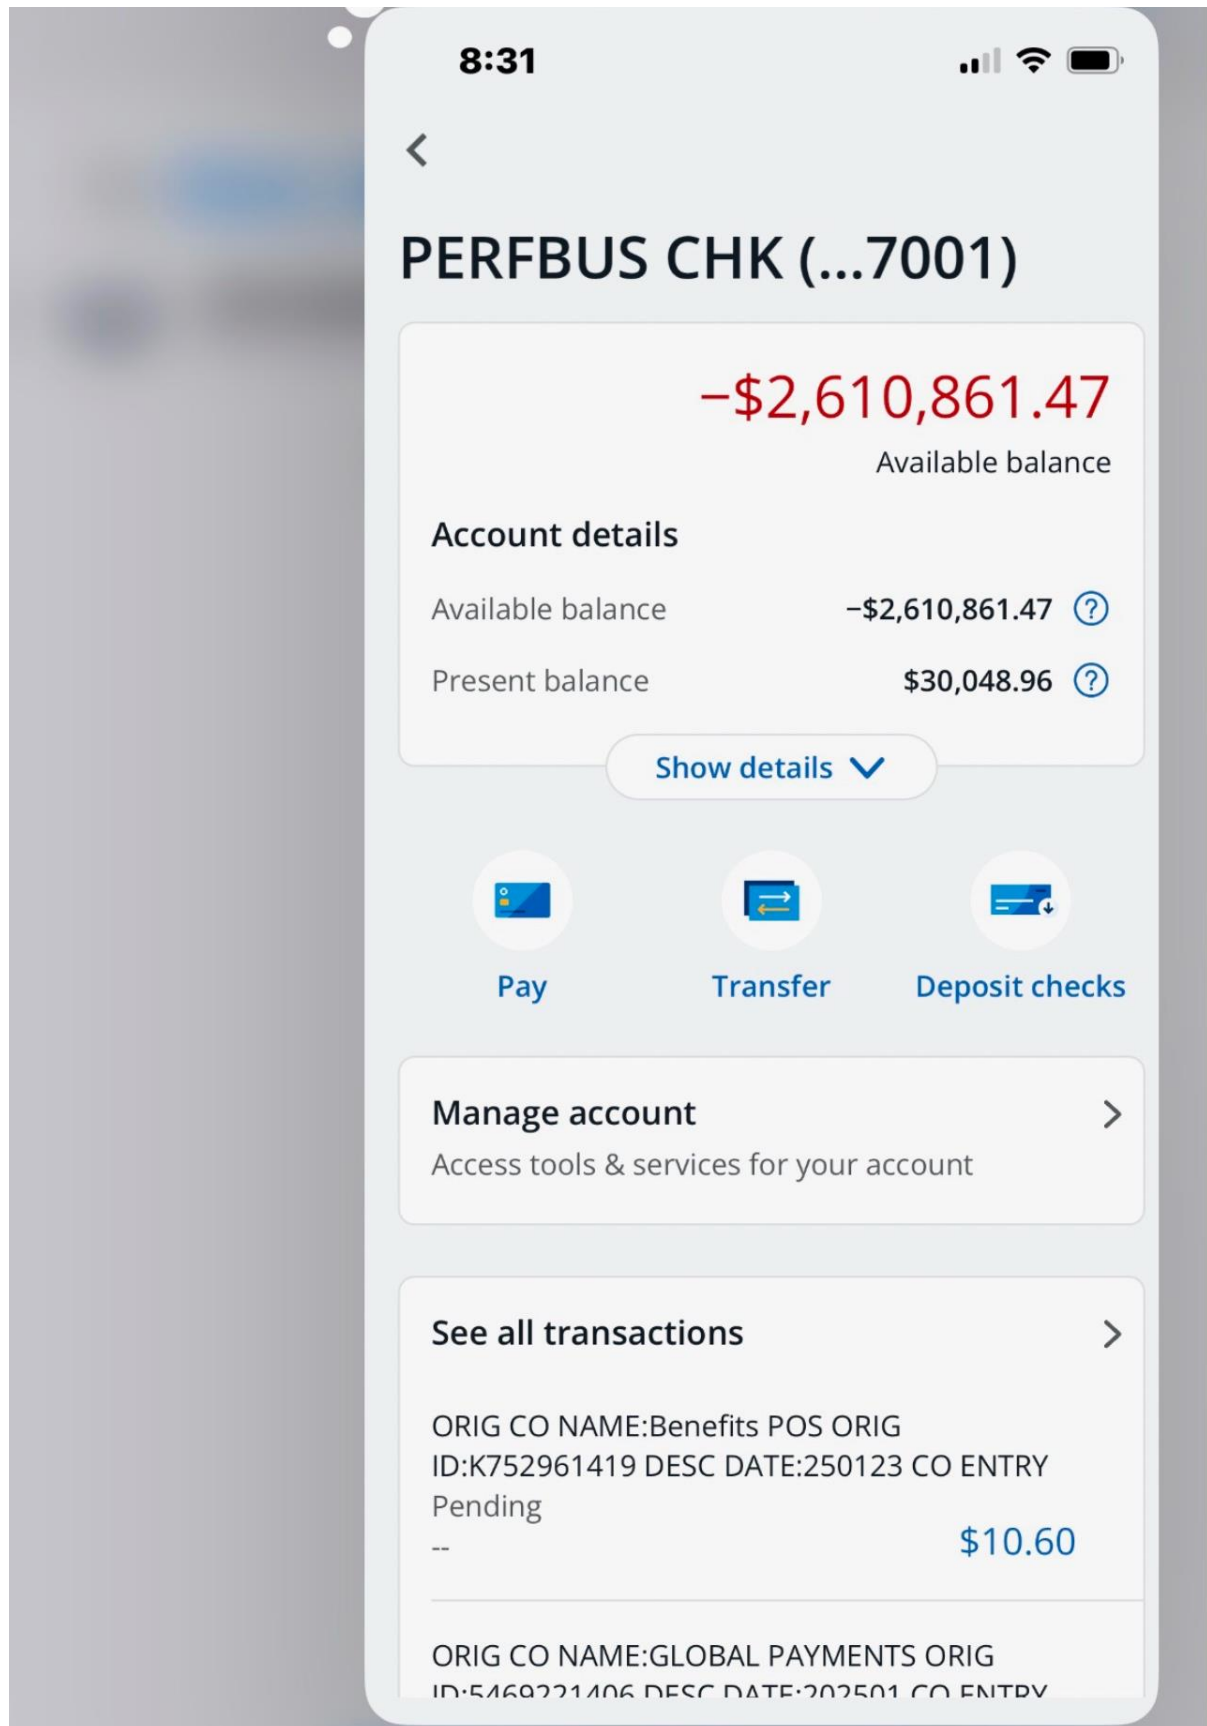

We're going to hold the \$30,048.96 in escrow which is the amount that was restrained last Thursday and fight over that later. But the Chase accounts must be released NOW from your offices restraint And you must Undertake steps right now to release those accounts. Understand that US bankruptcy Judge Mastando today Directed the release on the record And he "so ordered" the record so you must direct the NYC Marshal and Chase to release the accounts immediately.

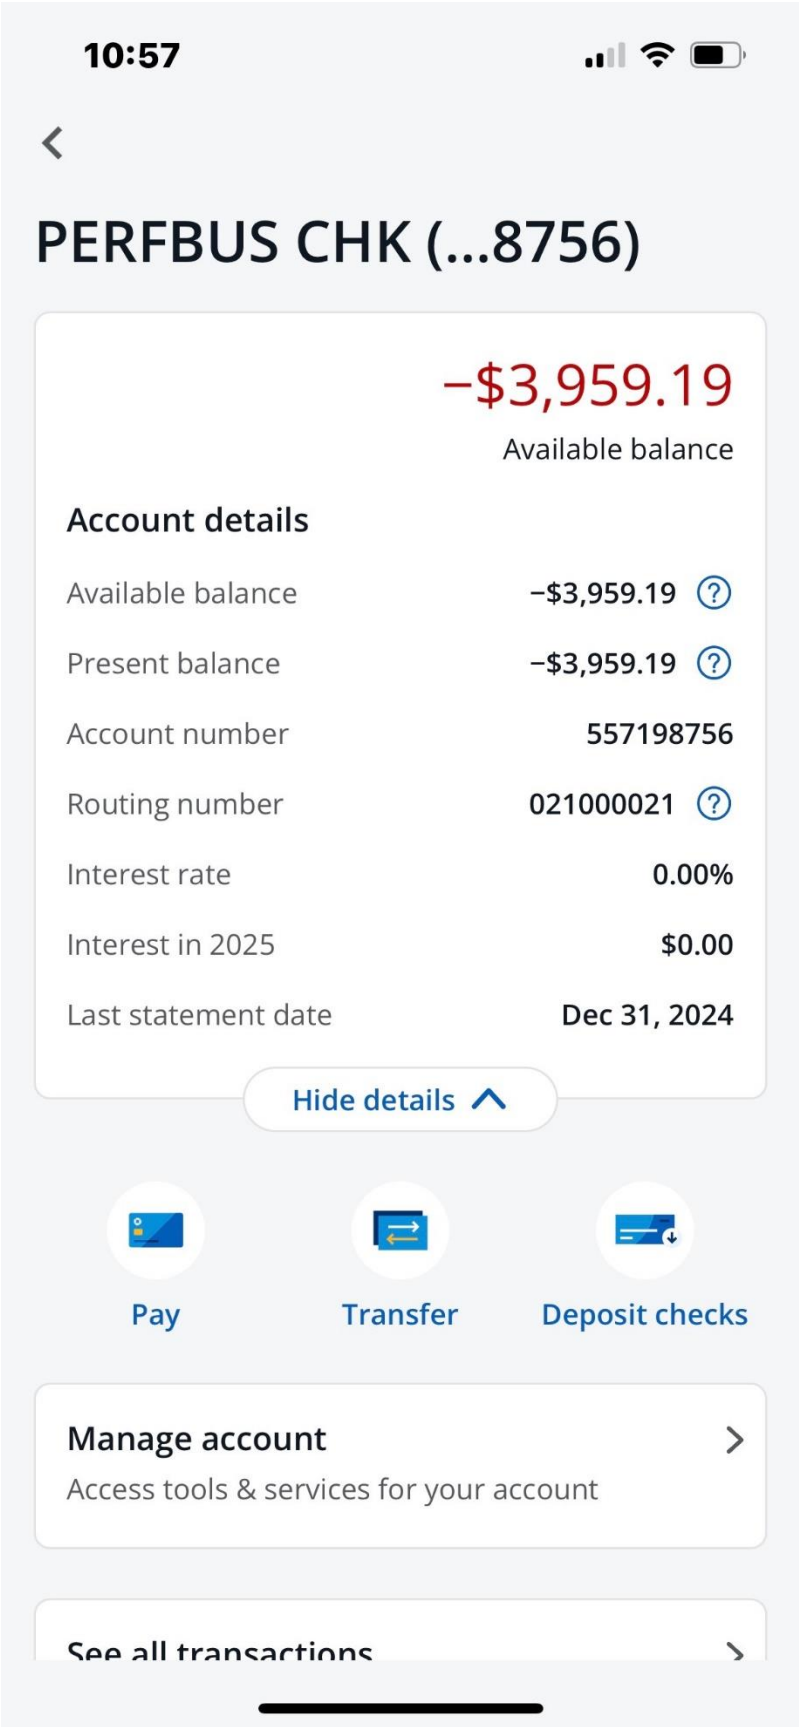

The record is "so ordered" so there's a US Court Order in place even though a physical order hasn't been signed yet. I'm drafting the physical order, but in the interim the existing "so ordered" record requires you to undertake the release of the accounts subject. Please contact the Marshall and Chase right now and advise that the marshal that he must tell Chase to release the restraints immediately, and you must also immediately tell Chase to release the accounts immediately

I left you a voicemail because you didn't answer when I called. Please call me on my cell number at 212-380-6878.
